

Our students are never just a number.

And our grads see the difference: Professors challenge students — and help them meet those challenges.

Most classes have fewer than 20 students.

MINNESOTA PRIVATE COLLEGES

OUR STUDENTS

29% of first-year U.S. students are students of color or Native American.

23% are the first in their families earning a college degree

From Minnesota

From around the U.S.

From around the world

Our grads are prepared for what's next

Median income of our alums working full-time in Minnesota four years after graduation

Within one year of graduation:

72% employed
16% additional education
3% service, mission work or military

Our students start careers sooner.

Our four-year graduation rate is the **best in Minnesota** and the Midwest. And we're **#2 in the nation!**

We cost less than you think.

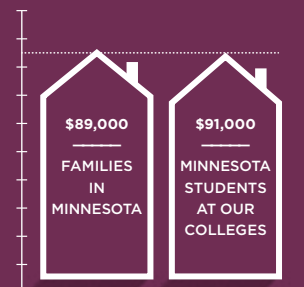

Students from all income levels come to our colleges — and succeed.

First-year students receiving grants and scholarships

After grants and scholarships, listed tuition is cut by 66% on average for first-year students

Typical family income — ours mirrors the state

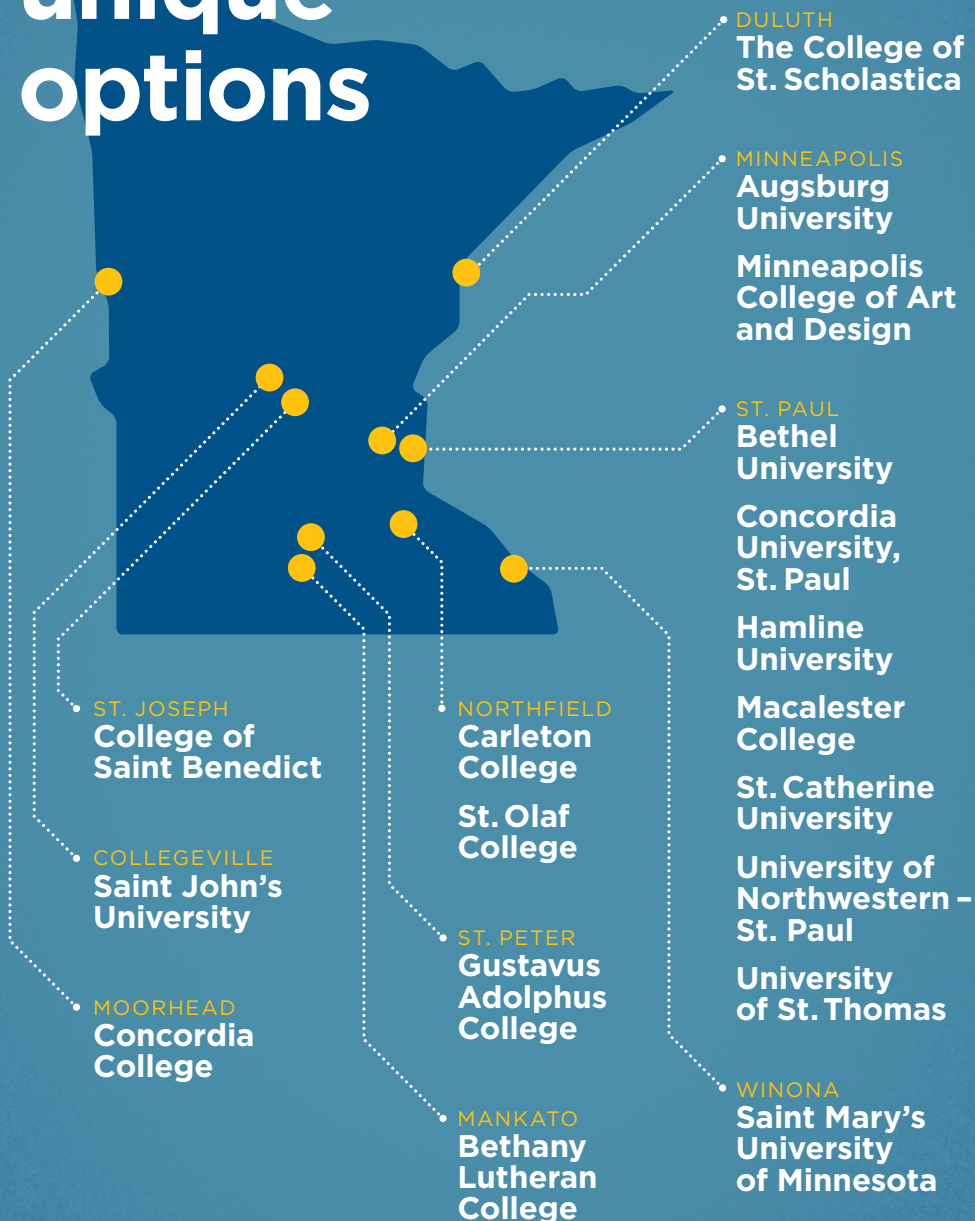

There's a private college that's right for you.

<p>Distance from home: From a 5-minute walk to a 5-hour drive</p> 	<p>More than 150 majors & minors: From Anthropology to Web Design</p> <p>A^{TO}W</p>	<p>Number of fellow undergrads: From 700 to 6,000</p> 	<p>Campus life: Launch a canoe, hop on LRT and everything in between</p>

Eighteen unique options

You're more than your test scores.

Applications are reviewed holistically — it's not just about GPAs. And for students enrolling for fall 2023, all 18 of our colleges have options to apply without submitting SAT or ACT scores.
