MINNESOTA PRIVATE COLLEGE COUNCIL

START EXPLORING! Visit during Minnesota Private College Week MONDAY, JUNE 26 – FRIDAY, JUNE 30

Students and parents often come together to these **introductory visits** — touring campuses and taking part in information sessions. We keep it simple; you choose which colleges you want to visit and register for free online.

Whether you are going to be a high school senior, junior or sophomore, these visits can serve as a first step to help you discover just what you're looking for in a college.

Minnesota's Private Colleges offer a well-rounded education and a solid foundation for your future. Also, you may not realize how affordable we can be.

Make a plan to visit some of our private nonprofit colleges this summer.

STEP 1: Visit mnprivatecolleges.org/mpcw
Check out **"our colleges"** for short profiles of each institution. Use the **"college finder"** to search by majors, sports and the arts.

STEP 2: Decide where you want to visit.

STEP 3: Register — and mark your calendars.

"Very well run, organized, efficient. Good use of time. Helpful to compare several colleges quickly."

-Michelle (parent from Eden Prairie, Minn.)

"...a great way to spend a little time at a college to find what you like most in a school and be able to narrow your choices of colleges."

-Bill (high school junior from Virginia, Minn.)

"My student was excited to begin to understand what choices after high school were possible. As a parent I really enjoyed the event and thought it was very well done."

-Scott (parent from St. Michael, Minn.)
